Constitution and By-Laws vote - Not enough officers/memebers to take a vote

Amiga News

- CLASS review [Pics](#). Jerry talked about the show and the demonstrations. Robert has posted some CLASS 2023 videos on his [YouTube channel](#).
- Hyperion Lawsuit disucssion. It seems like this lawsuit simply clears up some groundwork for other cases.

Games

- [QWAK](#) - Platform puzzle game. Jerry played through a handful of levels to demonstrate the game mechanics and puzzle elements of the game. Incidentally, it turns out this game will be included in the upcoming Evercade release of classic Amiga games!

Socializing

Jerry and Marshall talked about coding on the Amiga in C and Blitz Basic. Michael talked a little about his new SAM machine and is looking to give a demo at an upcoming meeting. We talked a little about the new QEMU release and its capability to host OS4.1.
